Additional information, UV printing

1. * All colors except gold and silver.
2. A logotype with a width of 3 cm requires a marking test.
3. The black logo requires a trial to verify the correctness of the marking (applies only to light colors of products).
4. Suggested size of the logo is 27 mm.
5. It is not possible to mark with the UV PRINT technique in the recess of the cup.

The mouthpiece is in a random location.

PREPARATION ROOM: visualization, machine settings.

The actual maximum print size depends on the proportions of the logotype.
